Election to be Held in 24 Precincts.
Because of the proximity of the election and the probability that the case could not be tried before November, together with the confusion existing in the public mind in regard to the number of voting precincts, the Democrats decided to discontinue their appeal in the matter of re-districting the county, pending before the Court of Appeals, which was done yesterday. The November election will, therefore, be held, at stated exclusively in last week's CLIMAX in the 24 voting precincts, established by Judge Millon, instead of in 20, as heretofore. Officers in the four extra precincts will be selected in a few days.

Registration next Tuesday will be in four voting precincts of this city instead of three as heretofore.

Turkey to Brookston Completed.

The Story Run and Doyleville turkey pike has been completed to Mr. R. E. McCord's, a distance of 21 miles, and Messrs. S. Parrish, Esquire Huguely and R. C. Huges, Commissioners appointed by the court, examined and received same last week. The prosperous farmers of the Brookston locality, who without a murmur have contributed their proportion of taxes for the construction of turpikes in other parts of the county, have been cut off from market long enough by bad roads, and we are glad to note that this pike, so badly needed, is being rapidly pushed to completion.

Accidentally Cut.
James Parks, colored, who works for H. M. Herndon, was arrested and placed in jail Saturday night, charged with cutting Sam Turner, also colored. Both claim the cutting accidental. Turner's version of the trouble is that the two were on Main street talking to a woman, when Parks snatched an open knife out of the woman's hand, and he (Turner) being nearby, was accidentally struck in the leg, the keen knife blade making an ugly gash. Turner fled like a hog and was taken to the jail office, where he received medical attention. Parks was released on bond, pending an investigation of the case.

Cash Store

DRY GOODS, NOTIONS, BOOTS, SHOES, CLOTHING.

AN

OF

BAGGAINS FOR CASH BUYERS!

THE

BUSY BEE CASH STORE

Has decided to throw their entire stock of merchandise upon the market for 30 days at the most unheard of slaughtered prices ever before named in the history of Richmond.

Backward season, overbuying, overstocked and the crowded condition of our store has caused this sale. We are compelled to have money to meet our spring bills, and a great sacrifice sale helps our customers and helps us.

We shall take each Department as it comes and spare not a single article in any of them. We play no favorites. Nothing reserved. They must all go.

We commence this week with Clothing and Shoes. If you are familiar with our prices in these departments, you could not recognize them now. The cold steel of our keen-edged knife went to the quick, and not a single old price is left to tell the tale.

Suits that were \$15 and \$18 are now \$9 to \$11. Suits that were \$10 to \$12.50 are now \$6.50 to \$8. Suits that were \$7.50 to \$9 are now \$3.48 to \$4.98, and our lower-priced suits are almost thrown in to make up your bundle. Our Boys' and Children's suits and pants have been cut so deep that you can't possibly recognize them. When we say half price we don't exaggerate. Call and see for yourselves; don't take our word for it. Bring your boys along, for you will wish you had. The suits can't stay with us long at these prices. We mean business.

We know it is death to competition to turn loose as big a stock of SHOES as we carry at prices we are turning them out at during this sale, but we can't help it. We are forced to do it. They must go or we must, and we prefer to stay.

Come and buy all the Shoes and Slippers you expect to need this spring and summer while this sale lasts. You have been our friends, and we appreciate it. This is good advice we give you. Profit by our loss while you can. This sale can't last long.

Watch our circular for sale date of other departments. They will all feel the knife before we ease up. This is the verdict of the Busy Bee Cash Store corporation and can't be changed.

Hoping our many friends and patrons will avail themselves of this unprecedented chance to buy goods they need for months to come, we are, very resp't,

W. D. OLDHAM & COMPANY,

IF WE PLEASE YOU TELL OTHERS, IF NOT TELL US.

Farmers Lose Heavily.

Farmers in Madison and Estill counties had their crops in the lowlands badly damaged by the recent rise in the Kentucky river. Such a heavy rise in the river at this season of the year is something unusual, and the unfortunate farmers were unprepared for it.
